GET WITH THE PROGRAM – THE “FAX NET 1 CRIME ALERT PROGRAM”!

REMEMBER - IT IS NOT FUN BEING A VICTIM! AFTER you and your business have BEEN VICTIMIZED – it is too late to go back to see how it could have been avoided!

We receive crime alert information from law enforcement regarding crime in your area: we fax it out to all the businesses in that area that are signed up on our system.

WHO WE ARE

Fax Net 1 is A 501 (C) (3) proactive award-winning Arizona non-profit Corporation. Our sole mission is **CRIME PREVENTION**. Phoenix Police Assistant Chief, Joseph Yahner, is Vice Chair of our Board of Directors. All law enforcement – local, state, and federal interact with our network. They send us crime alerts to be faxed to wherever that crime might impact next. If something is going on crime-wise in YOUR area that you would like to warn others about, just fax us the information; we will verify the information with the Police Department and if accurate, we will fax it to where it should go. You ONLY hear from us when we have something to tell you;

Therefore, it may be weeks or months before you receive a fax from us.

THERE IS ABSOLUTELY NO CHARGE FOR ANTHING WE DO!

Check here if you would like to receive a color copy of the bulletins by e-mail

Please read entire form before submitting information.

We are continuously up-dating our system with new equipment and enlarged databases, so we request that you complete the following information and e-mail or fax it back to us at your earliest convenience. And please remember to update us if your fax number changes.
